### **Report & Results**

This year's tournament had a revamped experimental format with the Under 13's playing on two days with an additional event of mixed doubles, and the Under 11's having their own separate event on the Sunday.

The under 13 event attracted 92 players from across the country including 13 from Nottinghamshire. In the singles events only **Joshua Gilmore** managed to qualify from his group, losing in the quarter-final. In the girls doubles **Samantha Reynolds** and her partner **Sammi Hutt** from Lincolnshire reached the semi-final, losing to the eventual winners. The new mixed event provided some of the best badminton of the weekend with several matches going to three ends, **Samantha Reynolds** with **Liver Crabbe** (Herts) reached the semi-final, and **Thereza Oliver-Smith** with **Luke Hutchinson** (Yorks) reached the quarter-final.

The Under 11 event saw 32 players entered including 4 from Nottinghamshire, of which **Dominic Smith** and **Jessica Tandy** reached the semi-finals or their respective singles events and **Dominic & Matthew Stacey** lost in the final of the boys doubles.

The weekend was a great success enjoyed by everyone who took part, and thanks went to everyone who helped out especially the cafeteria staff, and **John Wadsworth** and **Paul Robbins** who assisted in ensuring the matches went on court and everything ran smoothly.
