

COMPETE MEMBERSHIP

Regulations state that every player will be required to hold a Compete Membership to be eligible to represent his or her County within the Master's Championship. They will then be in line with all Master "Compete" members playing in Tournaments and all Senior Tournament entrants.

To assist counties every match can be played using one "wild card" to cover last minute non-compete players up to 31st December each year, AND from January 1st, may have up to two "wild cards" for any match. The Challenge weekend will count as one "wild card". A player may only have two wild cards in a season, which may be two Championship matches or one Championship match and the Challenge weekend.

If a wildcard player is used for a third time, then they must pay the £15 and become a Compete member well before their third match. If that player plays again without a compete licence their games will be voided.

Your club's subscription should cover the cost of your annual BE registration fee of £15. If you are yet to be registered to a club, this fee will show as £30. You can either wait for your club to register before renewing your compete fee, or request that your club refunds you the £15, however please ensure you are covered ahead of your first fixture.

The fee can be paid any time before the end of the expiry date of your current membership, which can be ascertained by logging into your profile. The new membership will only start after the expiry of your current membership and will last 12 months from there.

Alternatively, you can also pay over the phone by calling Badminton England on 01908 268400 Option 2, quoting your BE number.
