

NOTTINGHAMSHIRE BADMINTON ASSOCIATION

HONORARY LEAGUE SECRETARY'S REPORT

SEASON 2018/2019

The past season has seen 409 matches completed by 28 clubs.

There were 31 matches where Rule 11 was applied. (match result not sent within 4 days)

This is actually an increase on last season, so clubs need to brush up on their admin skills !

13 matches were claimed by clubs using Rule 9 (non completion of fixture)

This is a decrease on last season, so well done to clubs on completing more fixtures.

The divisional winners were spread across 11 clubs out of the 28 taking part.

Special mentions to the Premier Division winners

Ladies – Beeston Fields 1

Mens – Bingham 1

Mixed – Forest 1

To Naseeb who have been promoted to Premier Mens for the 1st time.

To Beeston Braves who have won a division in their 1st season as a league club.

To Handy badminton who got a promotion in their 1st season as a league club.

I would also like to thank Mark Ransom for his efforts on improving the website layout of the league divisions and access to individual club results.

Congratulations to all clubs winning leagues this year, and Good Luck to all clubs for next season.
