Congratulations to all teams for their hard work and thanks to all the players for representing their County.

As I said last year we need more players, especially ladies, to compete at this level in the future. If anyone knows of a player willing to play for their County, please let myself or Gill Maloney know.

My thanks to all members of the County Masters Committee together with the Captains and their selectors who put in the effort to organise their teams. Without these dedicated people it would be difficult to play County Masters matches but with their commitment and support of the players we will continue to be the one of the best organised Masters units.

For the following season we have decided, at the moment, to enter 5 challenge Teams and 6 Championship League Teams.
